Re: Return to play update – Central Okanagan

As announced by the provincial government yesterday, there are new health orders impacting the Central Okanagan. These orders can be found here:

<https://www.interiorhealth.ca/AboutUs/MediaCentre/NewsReleases/Documents/New%20health%20measures%20to%20contain%20COVID-19%20outbreak%20in%20Central%20Okanagan.pdf>

Baseball BC shares the following recommendations from the provincial government:

"People from outside the central Okanagan are discouraged from non-essential travel to the area for the duration of the outbreak unless they are fully vaccinated (7 days after their second dose)."

"Events scheduled during this outbreak in the central Okanagan should have a COVID-19 safety plan in place."
