

Bantam AAA Head Coaching Opportunity

Vancouver Community Baseball is now accepting applications for the position of the Bantam AAA Head Coach. The successful candidate will have the opportunity to assess, coach and develop 15U players from our association. The Bantam AAA league is very competitive with many players moving on to the 18U travel teams.

BC Minor Baseball's Bantam AAA division has teams in Metro Vancouver, on Vancouver Island and in the interior of BC. Because of this, the coach will have to be flexible to travel 5-6 weekends in a season.

Vancouver Community Baseball has a good program for fall and is now working on creating a winter training program. The new head coach will be expected to participate and help coordinate the off-season training.

The head coach position is a paid position. The pay and term will be negotiated through VCB.

Mandatory Qualifications:

- Able to travel out of the Metro Vancouver area 5-6 times a year.
- NCCP Qualified as a Provincially Certified 16+.
- Pass a (CRC) criminal record check.
- References from players, coaches, or previous associations.

Preferred Qualifications

- Leadership and organizational skills.
- History of coaching and or playing high caliber baseball.
- Ability to communicate well with kids, parents and game officials. Ability to work within a budget set up by the VCB Board.
