Local Association President,

Baseball BC is excited to offer another year of summer baseball camps for young athletes around the province.

We are currently seeking local or community baseball organizations to partner with, with the goal of providing a fun instructional experience for children in your association.

Baseball B.C's goal as a non-profit organization, is to provide a safe and fun environment to children around BC as we teach the game of baseball to new generations. We also hope to grow the sport that we all love through programming like this, and believe we will be able to assist in this goal by partnering with you.

In our summer camps, we will provide quality coaching from instructors with the Douglas College Baseball Team.

Not only will we focus on the fundamentals of baseball, but will provide a fun learning environment for all levels of baseball players from beginners to advanced players. Our belief is that skill development should come first, so we focus on the major skills of baseball such as throwing, catching, fielding, hitting, and running. An emphasis will be put on the proper mechanics of all these complex tasks, so the players learn how to do these skills properly and are able to apply them in a game situation.

With the partnership between Baseball BC and your organization, we are asking that you help get the word out to the players in your association to attend our camp. We are also asking that you provide a location to hold these camps. We are looking for a peewee or bantam field that we could use from 10am-3pm Monday-Thursday, or Tuesday-Friday depending on holidays from July 2-August 15.

We look forward to working with your association and providing you and your athletes with a great experience that will help mold them into not only great baseball players, but great athletes. If you would like to have a camp held within your association, open dates are provided below but it will fill up quickly.

Scholarship and profit share opportunities are available as well…

We look forward to hearing back from you.

Open Dates

Week 1 - July 2-5

Week 2 - July 8-11

Week 3 - July 15-18

Week 4 - July 22-26

Week 5 - July 29-Aug 1

Week 6 - Aug 6-9

Week 7 - Aug 12-15
